The Minnesota Free Paper Association is a non-profit organization dedicated to the advancement of the free-paper industry in Minnesota. Applications for membership should be sent to the Secretary (address above) for Board Review, along with a check for one year's dues and four of the most recent representative copies of the publication(s).

ELIGIBILITY REQUIREMENTS:

"Any company, whether a corporation, partnership, sole proprietorship, or other form of business which publishes a free circulation shopper or free circulation newspaper in Minnesota or in any adjoining state, shall be eligible for membership in the Corporation. All applications for membership shall be submitted to the Board of Directors of the Corporation for approval. If the applicant for membership is owned by a group, chain or publishing company that also publishes paid distribution papers, the application must submit for the Board's approval, an affidavit showing that more than 50% of the group's, chain's or publishing company's revenues are derived from its Free Distribution Papers when compared to its paid circulation papers. The Board reserves the right to waive the 50 percent publisher's revenue portion, or any other membership qualification, by two-thirds vote of Directors. Member publications must publish a free paper distributed to a specific geographic area, with at least 80 percent household coverage in that area. Rack copies can be no more than 20 percent of the total distribution. Volunteer pay can be no more than 25 percent of the total distribution. Member publications must be regular—weekly or more frequent—for at least one year prior to membership. Member publications must maintain a distribution system independent of any paid publication's distribution list ..." MFPFA Bylaws, revised and adopted February 10, 2007.

Regular members are eligible for MFPA benefits, including CVC audits, that are made possible by the Minnesota Classified Network advertising carried in MFPA publications. It is necessary for member publications to run ads weekly and submit proof through MFPA auditing procedures to receive said benefits. Every effort is made to screen out objectionable ads, but all members are free to delete ads from those they receive that they find objectionable.
